

DotsNShapes

A DESIGN LANGUAGE
FOR CREATIVITY..

dotsnshapes is a design studio based in Kannur, Kerala.

It is a comprehensive design practise that addresses various strata of building design to shape a solution that is well rounded and complete.

Founding director Mr. Hussain spreadheads the firm with his multidisciplinary approach and his inherent sense of design. Ar.Zeba Hussain drives the creative process with a deep sensitivity and clear vision of design. She has completed her Bachelor in Architecture from University School of Design, Mysore.

Together with a passionate team of designers they have created a design language that is striking, unique and relevant.
